

Player School

At Player Primary School, our **MISSION**,
together with parents and community is to develop healthy,
happy and adaptable young individuals who think critically, solve problems,
make good decision and become life long learners.

First Days of School

The 2009-2010 school year is going to be filled with many new adventures and experiences, not just for your child but also for me as the new principal of Player School. If you did not get a chance to meet me at registration, my name is Angela Krejci. I have been a part of the Indian Springs School District Community for over nine years. During that time, I have taught students at both the intermediate and primary levels. I have also work closely with the administration as Assistant to the Principal at Wilkins Elementary.

The focus for this school year is to encourage students to do the best they can, especially when it comes to reading. As parents you can work at home with your child by reading to them everyday.

The purpose of our school newsletter is to provide a means of sharing the events and activities of Player School. Another way to stay informed about important school topics is to review the Parent and Student Handbooks that were distributed during registration. In them, you will find facts about attendance, lunchroom, bus guidelines, a district calendar and much more.

I am excited to get to know all the students and families that are a part of the Player School Community and look forward to seeing you at Open House on Tuesday, September 1st.

Mrs. Angela Krejci

Open House ~ Tuesday, September 1st

Parents, Families and Friends are
invited to join the
teachers and staff of Player School at our annual
OPEN HOUSE.

The festivities begin at 6:30pm and run till 8:00pm.

This is a great opportunity to meet your child's
teachers, tour the school, and learn about the
curriculum of Indian Springs District 109.

A Few Reminders...

Please be sure to check your student book bag for school work and paper-work from various staff members involved in the education of your child...review and sign any forms and return them to school with your child as soon as possible...this will enable services and privileges to be expedited in a timely manner.

If your child will not be in school for any reason, you can call the school at anytime, 24 hours a day. Please leave a detailed message including the name of the student, reason for absence and a telephone number where you can be contacted.
