At Player Primary School, our **MISSION**,  
together with parents and community is to develop healthy,  
happy and adaptable young individuals who think critically, solve problems,  
make good decision and become life long learners.

## A Note from the Principal...

Dear Families,

The month of October is filled with many exciting activities and learning experiences. As the school year gets busier it is important to know what is going on at school.

Everyday you should be:

- \* talking with your child about what is happening during the day
- \* reinforcing the lessons learned in reading and math
- \* checking and responding to any paperwork sent home
- \* keeping a family calendar

By following these few tips you are helping your child to become an organized student and showing your child that you care about their education.

October also brings the cooler weather. Please be sure to dress your child according to the weather. Unless the temperature drops to below 20 degrees, the students will be going outside for recess.

## Halloween Parade Friday, October 30th

Parents, Families & Friends  
are invited to watch the  
**Annual Player School Halloween Parade!**  
October 30th at 10:30am

Students may wear their costumes to school.  
For the safety of all...please no masks or inappropriate  
costumes including any type of weapons.

When in doubt keep it at home!

As always, if you ever have  
questions or concerns please  
call, e-mail or stop by the  
school to discuss these  
matters.

## October

*October's the month  
When the smallest breeze  
Gives us a shower  
Of autumn leaves.  
Bonfires and pumpkins,  
Leaves sailing down -  
October is red  
And golden and brown.*

when he/she has to sneeze or cough.

If a tissue is not available, have your  
child cough into their sleeve.

Remind your child to wash their hands

they cough or sneeze.

If your child will not be in school for  
any reason, you can call the school at

## BIRTHDAY TREATS

Many of our children enjoy bringing treats to share with classmates on their birthday. As in past years, **the treats are welcome; however, we require that they be store bought.** The reason for this is that many children have allergies to certain ingredients or may have dietary restrictions. As much as we love home cooking, we are not able to read the ingredients on home baked goods. Store bought items afford us the opportunity to see all of the ingredients, therefore keeping our children safe.

Thank you for your cooperation, and as always, if you have any questions or concerns, please do not hesitate to call.

## Walk-A-Thon

Each year at this time, Player School holds its annual Walk-A-Thon Fund-raiser. This is an opportunity for the school to raise money to help support all the great things we do here at Player School.

Ask Friends and Family Members  
for a donation.

(DO NOT GO DOOR TO DOOR)

Fill out the Pledge Form.

Send Pledge Form and Money to  
school by October 7th.

Students will walk around the  
playground on  
Friday, October 9th.

Parents and Family Members are  
invited to cheer on the students  
as they walk.

*The 10 students that collect the  
most money will have a special  
lunch with the Principal.*

**Your Support is Appreciated!**
